

The Sword

Throughout history the sword has been a symbol of Leadership, Power, Justice, Dignity, and Honor.

The sword is said to be the emblem of military honor and should incite the bearer to a just pursuit of honor and virtue. It is symbolic of liberty and strength. It has been used as a symbol of the word of God. The names given to many swords in mythology, literature, and history reflect the high prestige of the weapon and the wealth of the owner.

It is with the utmost respect, and appreciation that I present this sword to you, on behalf of Operation Finally Home, its sponsors, its partners, and all those involved in the completion of this project.
